5. [redacted] Checked with Bernard Fensterwald, Senate Subcommittee on Administrative Practice and Procedures staff, to determine whether he was aware of Senator Long's position regarding the Agency exemption to S.1035. Fensterwald said he had not discussed this with the Senator but well imagined he would support Senator Ervin in this. He said he would be happy to raise it with the Senator if I wished. I thanked Mr. Fensterwald for his assessment but asked that he not trouble the Senator on this at this time.
